Statement On SVHC Substances

Dear Sir or Madame,

For us, it goes without saying that all legal provisions for the protection of society and the environment are observed in the production, storage and sales of our products.

With this declaration, we comply with our obligation to provide information in accordance with **Art. 33 of Regulation (EC) No 1907/2006** of the European Parliament and of the Council of 18 December 2006 (REACH). Thus, there is an obligation to disclose information when a so-called candidate substance (SVHC) of more than 0.1% by mass is present in a product.

At present, lead (CAS No. 7439-92-1) is included in our brass products.
Some neoprene gaskets include ETU (CAS No. 96-45-7).

All information has been given to the best of our knowledge and belief. They correspond to that current state of the art. This information is not an assurance in the warranty to understand the legal sense.
