

CERTIFICATE

CEACertification GmbH grants the company

RST Rabe-Systems-Technik und Vertriebs-GmbH

Otto-Lilienthal-Straße 19, 49134 Wallenhorst

has introduced & applies a quality management system for the field of application

Development, manufacturing and sale of cable entries, pressure equalisation solutions, protective conduit systems, connectors and enclosures for use in both conventional and potentially explosive atmospheres. Provision of solution-orientated consulting services, technical support and provision of practical expertise with regard to the formulation of individual product specifications for tool construction as well as the administration of these or other tools. Production and assembly of electrotechnical components

An audit has demonstrated and documented the result in a report that this quality management system satisfies the requirements of the

DIN EN ISO 9001:2015

Standard and is suitable for accomplishing and maintaining the quality policy objectives which are expressly stated.
